Explanatory Note

(This is not a part of the amendment or rule but is intended to indicate the general purport)

The Jenmikaram Payment (Abolition) Rules 1961 do not contain any specific provision for taking any further action in the case of religious institutions which have not presented the application with the declaration. Hence it is considered necessary for the sake of expeditious implementation of the Act to amend the existing rule 9 to provide that the Jenmikaram Compensation Officer might take further action in the case of religious institutions which have not presented the application with declaration.
